## GOV.7.A CHIEF EXECUTIVE OFFICER

### Responsibilities:

The role of the Chief Executive Officer (CEO) is to design, develop, and implement strategic plans for the organization in the most cost effective and time efficient manner.

The CEO is responsible for both the day-to-day running of the organization and developing business plans for the long-term future of the organization.

The CEO is a leadership role for the organization, fulfilling a motivational role for members in addition to their office-based work.

The CEO motivates and mentors members of the management team and chairs meetings. The CEO leads the organization and develops its organizational culture.

The CEO reports to the Advisory Board on a semi-annual basis to keep the Board informed of the state of the organization. The Advisory Board will offer suggestions and ideas to the CEO about how to improve the organization.
